

The approved text messaging service for the education community

WHAT IS JANET TXT?

JANET txt is a comprehensive suite of secure SMS messaging services provided by PageOne on behalf of JANET(UK) and are designed specifically to meet the requirements of the UK Education Community. JANET txt offers an array of easy to use desktop messaging products in addition to a full range of secure integration APIs.

With special preferential rates negotiated by PageOne, the JANET txt service allows you to take advantage of a resilient and affordable messaging solution officially approved by JANET.

BENEFITS

- ✓ **Free to set up.** No set up fees or monthly charges for the basic service
